**“The After Effect”**  
*2 Corinthians 5: 16-18*

In light of all of the information we have about Christ, from the cradle to the cross and now after the resurrection, what after the fact effect does all of that have on you. In essence what are the results that are influencing and guiding your life today?

Hopefully and prayerfully there is some growth in your Christian walk where you have developed a greater prayer life, a greater witnessing life, a greater committed life and a greater faith life. The apostle Paul speaks to the Corinthians as he ministers to them, that if any man be in Christ he is a new creation. The old is gone and the new is here. Charles Gabriel the songwriter echoed the sentiments of the newness in his life with these words, what a wonderful change in my life has been wrought, since Jesus came into my heart, I have light in my soul for which long I sought, since Jesus came into my heart, Floods of joy o'er my soul like sea billows roll, since Jesus has come into my heart. Let us be prayerful that the after effect has made and is making such a difference that our world and we are better today in our lives than we were yesterday. Let the after effect take hold. Be Blessed.
