“The Way and Importance of Holiness”

Isaiah 35: 8-10

Rev. Clint Minor, Preacher

If indeed we are going to be Christians we must live a holy and acceptable life under God's guidance. Rev. Minor emphasized this in his message indicating that there is a way of holiness and that those who are wicked and living unclean life styles will not walk or journey on it. However, those who pursuit a holy lifestyle will be redeemed and walk in that way. Each of us must look at ourselves introspectively and evaluate if indeed we are living life as God intended and requires of each of us. We must embrace the Holy Spirit and allow it to move in us in such a way that God is pleased at how we go about living this thing called life. The fire of the Holy Spirit can burn out our wickedness and sinful desires so that our minds can be focused on the will of God for our lives. The true way to holiness is following Jesus Christ who said, He is the way, the truth and the light and no one gets to the Father but by Him. Let each of us commit our lives to Christ and use our strength and energy of the Holy Spirit to be our inspiration and motivation to live a holy and acceptable life unto God.
