**“The Miraculous Power of God”**

*Scripture: Matthew 28:1-15*

The miraculous power of God exceeds our human thought and imagination. Indeed, the power of God is marvelous, magnificent, and for sure amazing. There is absolutely nothing that Almighty God can not do and do exceedingly well. There at least two times and certainly there are others, but Christmas and Resurrection Sunday are without a doubt those times that God reminds us of His holy omnipotence. The birth of Christ when God reminds us that He is the giver of life, and on Resurrection Sunday God reminds of His ability to conquer death the one thing which was most fearful by humankind. God conquers death and provides the gift of eternal life to all who believe in His only begotten son Jesus the Christ. It is no secret in any regard of what can do, that should serve as inspiration and hope for us all when we too are in situations where we need help from Almighty God Himself. So, as we all progress through life and are confronted with obstacles and challenges, let us be reminded that whatever our circumstance can be, we serve, trust, and believe in a miraculous God and that He truly does care for our lives. He is the one who can move the biggest stones of our lives and give us the abundant blessing that we all so desperately need and want. Be reminded and Be Blessed by the miraculous power of God.
